PROFILE

Matt is a certified Data Protection Officer with excellent communication skills, meticulous attention to detail and expertise as a DPO, consultant, auditor and trainer for multinational organisations. From start-ups to FTSE 100 companies, he has extensive experience tackling complex data privacy projects across a range of sectors including finance, technology, healthcare and marketing, and ensures all clients are able to achieve and maintain compliance with data protection legislation. With a unique background in journalism and law, Matt is able to break down complex legislative requirements into presentable and digestible formats.
