PROFILE

Paul has a Master's Degree in Law with Distinction and having worked in data protection compliance for over 5 years, he has a wealth of experience gained from working within a variety of organisations, particularly specialising in the Retail and Ecommerce Sectors.

Paul is an excellent communicator, capable of explaining complex legal concepts in simple and accessible language. He enjoys working with a wide range of people, and is very effective at balancing legal, ethical and moral considerations with business interests in order to help organisations achieve their commercial goals.

QUALIFICATIONS

- ✓ LL. B. (Hons) – Law Degree – University of Nottingham
- ✓ IAPP CIPM
- ✓ LLM LPC (Distinction) – Legal Practice Course – Nottingham Trent University

SAMPLE EXPERIENCE

Data Privacy Manager for a major clothing retail group. Responsible for a team of privacy professionals in charge of all Data Privacy matters across the organisation. Dealing with data subject rights requests and complaints; handling breaches and breach notification to the ICO; undertaking Data Protection Impact Assessments (DPIAs); conducting staff training; and providing advice on transfers of personal data upon acquisition.

Reviewed and provided advice on new and emerging legislation, particularly the GDPR, and advised on the program of work required to achieve compliance for an online services company. Oversaw and managed the development and implementation of a GDPR compliance framework prior to the GDPR coming into force.

Paul also played a key role in planning and conducting audits to ISO27001 standard and implementing resulting actions required.
