

IAN

DATA PROTECTION OFFICER

SPECIALISMS

- ✓ Education – schools
- ✓ EU Representation
- ✓ Public sector
- ✓ Education - higher education
- ✓ Caldicot Guardianship

PROFILE

Ian is a highly qualified Data Protection Officer, holding the CIPP/E qualification, as well as the GDPR Practitioner certificate.

Ian is a qualified teacher and ex deputy headmaster, and has been the Data Protection Officer for over 130 schools, as well as working as a County Council Management Information Consultant. He has extensive financial knowledge and has attained both Bachelor's and Master's degrees in accounting and finance.

Having been a Troop Commander with the Royal Engineers and with natural investigative and training skills, Ian is very comfortable working at all organisational levels including the most senior to give the best possible advice, guidance and support.

QUALIFICATIONS

- ✓ CIPP/E Certificate
- ✓ BSc (Hons) – Accounting & Land Use and Development
- ✓ GDPR Practitioner Certificate – University of Winchester
- ✓ Postgraduate Certificate in Education (PGCE)
- ✓ MSc – Forensic Accounting – Portsmouth University
- ✓ Postgraduate Certificate in Data Protection Law and Information Governance

SAMPLE EXPERIENCE

Data Protection Officer to over 130 schools around the country, assisting them with their legal obligations and ways to manage and process staff, pupil and parent personal data. Ian is instrumental in assisting these institutions to detect, manage, report and respond to data breaches including, if necessary, liaising with the ICO.

As a primary Data Protection Officer for one of the largest software suppliers in the financial sector, Ian is helping to develop their privacy compliance and internal procedures for the appropriate handling of staff data and marketing materials.
