

PIPPA

DATA PROTECTION OFFICER

SPECIALISMS

- ✓ Data subjects rights
- ✓ DSARs
- ✓ EU Representation

PROFILE

Pippa holds both a first class Bachelor's degree in law (LLB) and a Master's degree with Distinction in law and social justice (LLM). She is a fantastic communicator and has experience working with a wide variety of DPO Centre clients. Pippa has particular expertise in data subject rights and works closely with the DSAR Response team to deliver a high quality tailored service.

Pippa uses her exceptional analytical and problem-solving skills to provide clients with pragmatic advice and support that is relevant to them. She enjoys staying up to date with the latest developments in international data protection law and is always keen to expand her knowledge and sector expertise.

SAMPLE EXPERIENCE

Data Protection consultant for a UK criminal justice services charity. Conducted a compliance audit of the organisation's current data protection practices and provided helpful, practical recommendations for developing its compliance framework. Responsible for overseeing the delivery of DSAR responses of a highly sensitive nature, and providing guidance on breach management and notification.

Data Protection support for a global health and safety organisation. Utilising OneTrust assessments to complete the organisation's Records of Processing Activities (RoPAs) and Data Protection Impact Assessments (DPIAs). Liaising with stakeholders from around the world and providing data protection guidance across multiple jurisdictions.
