

SUPISARA - DATA PROTECTION SUPPORT OFFICER

SPECIALISMS

- ✓ Data subject access requests
- ✓ Data subjects right
- ✓ CCTV
- ✓ Data breaches

PROFILE

Supisara has a degree in business law (LL.B) and achieved her Masters (LL.M) in information technology and intellectual property law with distinction. She is a versatile and enthusiastic professional with experience in consulting and implementation, and knowledge in data protection, business law, and litigation-related fields.

As Data Protection Support Officer (DPSO), she assists with a wide range of Data Subject Access Requests (DSARs) and is responsible for the full lifecycle of the DSAR responses assigned to her. Supisara has a rigorous approach to research and is constantly developing her data protection knowledge across all client sectors.

QUALIFICATIONS

- ✓ LL.B Business Law, Thammasat University, Bangkok
- ✓ LL.M International Environmental Law, University of Kent
- ✓ LL.M Information Technology and Intellectual Property Law, University of East Anglia

SAMPLE EXPERIENCE

Legal and tax consultant working on a wide variety of business and tax issues, providing advice on updated regulations affecting business operations and revising any necessary contracts and documents. As Attorney-at-Law, responsibilities involved dealing with cases that required in-depth research and legal knowledge.

Data protection support for a range of industry sectors, drafting advice on UK/EU GDPR, data breaches, CCTV and eCommerce. Working collaboratively with DPOs, reviewing data protection agreements and assisting with data protection impact assessments (DPIAs).
