

MATT

DATA PROTECTION OFFICER

SPECIALISMS

- ✓ Clinical trials
- ✓ Information & cybersecurity
- ✓ Marketing
- ✓ AI
- ✓ Professional services

PROFILE

Matt is a certified Data Protection Officer known for his excellent communication skills and meticulous attention to detail. He brings extensive expertise as a DPO, consultant, auditor, and trainer for multinational organisations. From start-ups to FTSE 100 companies, he has managed complex data privacy projects across various sectors, including finance, technology, healthcare, telecoms, and marketing.

Matt is dedicated to helping clients achieve and maintain compliance with data protection legislation. With a unique journalism and law background, Matt excels at breaking down complex legislative requirements into clear, digestible formats. As one of our DPO Pod Leaders, he uses his skills to guide and support a team of multi-jurisdictional DPOs, ensuring the delivery of effective data protection strategies.

SAMPLE EXPERIENCE

Matt has worked as an outsourced DPO for a diverse range of sectors, including clinical trials, healthcare, legal, and eCommerce. In his work with various charitable organisations and public bodies, he developed and implemented tailored GDPR action plans and compliance frameworks.

Working with a FTSE 100 company, Matt was responsible for rewriting their data protection and information security documentation.

In addition, Matt has delivered certified data protection training courses to hundreds of delegates across Europe, including DPOs.
