

TRACEY DATA PRIVACY OFFICER

PROFILE

Tracey is a highly skilled Data Privacy Officer (DPO), holding certifications in CIPM, CIPP/E, and CIPP/C. With a strong background in the Healthcare sector, Tracey develops and implements comprehensive privacy frameworks that deliver compliance and reduce risk for clients.

Tracey's strategic mindset and meticulous eye for detail enable her to build collaborative relationships and improve working privacy practices for both organisations and their customers. Her dedication to promoting continuous improvement ensures she pre-emptively tackles emerging threats and enables organisations to work to industry best practices.

SAMPLE EXPERIENCE

Tracey offers extensive experience across a broad range of data privacy disciplines. During her role as the Deputy DPO for a Mental Health & Community Trust, Tracey implemented robust data lifecycle management strategies, enhanced risk mitigation through thorough privacy impact assessments, and provided in-depth compliance training to staff. She also led comprehensive investigations into data breaches, ensuring swift and thorough resolution, whilst reducing operational impact.

Tracey has developed a range of data privacy and security policies that help embed a culture of compliance across businesses. Leading a country-wide cybersecurity assurance assessment, she aligned internal processes with NIST, ISO 27001, and the GDPR to evaluate the security maturity of partner organisations.
