

EMILY

DATA PROTECTION OFFICER

SPECIALISMS

- ✓ Insurance
- ✓ Healthcare
- ✓ Clinical Trials
- ✓ Information Security
- ✓ IaaS and SaaS Technologies

LANGUAGES

- ✓ English

PROFILE

Emily is a driven Data Protection Officer (DPO) and Associate Member of the International Compliance Association (ICA), with a First-Class Law degree. She has strong experience leading complex audits, risk programmes, and regulatory reviews across the Healthcare, Insurance, and Technology sectors.

Working closely with stakeholders, Emily navigates evolving regulatory challenges to develop practical data governance strategies. Her collaborative approach and analytical mindset helps organisations manage risk, strengthen internal controls, and build a culture of accountability that supports ongoing regulatory compliance.

QUALIFICATIONS

- ✓ Bachelor of Laws (LL.B.) (Hons)
- ✓ Certificate in Insurance
- ✓ Certified Compliance Risk and Internal Control Manager (CCR)

SAMPLE EXPERIENCE

Working with a digital health organisation, Emily implemented a robust compliance framework and developed new Standard Operating Procedures (SOPs), enhancing efficiency and satisfying legal requirements. She also led a comprehensive risk programme, supported internal and external audits, and conducted compliance training to guide departments through regulatory changes.

Emily strengthened compliance culture at a major insurance company by identifying high-risk areas, conducting risk assessments, and improving operational processes to support both regulatory obligations and customer experiences.
