- ✓ ISO 27001 Lead Implementer Certification
- ✓ GDPR Practitioner Certificate
- ✓ Certified in Cybersecurity

SAMPLE EXPERIENCE

David has acted as a primary DPO for organisations across a broad range of industries, including Healthcare, Technology, Finance, Education, and the Private Sector. He has extensive experience conducting compliance audits, consulting on core business transformation projects, and implementing innovative solutions to complex privacy challenges. Working alongside global organisations, he has a thorough understanding of multi-jurisdictional data protection regulations.

David has worked on several NHS projects, providing specialist advice on digital information services, incorporating risk assessments, and mapping processes. As an Information Governance Specialist, he advised on privacy rights for digital transformation projects and delivered ISO 27001 gap analysis audits.
